## FY21 Disproportionality Labeling Guidance for Compliance Reviews

**Directions:** Every document to be submitted to GaDOE as part of the Disproportionality Compliance Review process must be named using the standardized labeling guidance below.

***"CR-Dispro Area-Additional Evidence"*** and ***CR-Dispro Area- Student Last Name, First Initial- Additional Evidence*** are highlighted simply to emphasize its existence for documents that do not fit any other category. Please only use this label for any documents that are not specifically one of the other document types listed.

***If you are not certain about which label to use, please contact your District Liaison for assistance before uploading the document(s) in question in the Special Education Dashboard.*** However, do not delay upload of all other documents while you await assistance for the document(s) in question.
