English Learners with Disabilities

11%

Percent of English learners in classrooms across the country receiving services through the IDEA Part B [1]

The Department of Education administers two major pieces of legislation that contain provisions that apply to English learners (ELs) with disabilities.

- Individuals with Disabilities Education Act (IDEA) - Administered by the Office of Special Education Programs (OSEP)
- Elementary and Secondary Education Act (ESEA) reauthorized as the Every Student Succeeds Act (ESSA) - Administered by the Office of Elementary and Secondary Education (OESE)

Department Resources

IDEA Website

Brings together IDEA information and resources from the department and its grant recipients

OSEP IDEAS That Work

Provides access to information from OSEP-funded research-to-practice initiatives that address IDEA and ESSA provisions

Blog: Teaching ELs with Disabilities

Features a teacher who works with ELs with disabilities

EL Data Story

Reports national data about ELs

- This particular data story provides data on ELs with disabilities.

Fast Facts: EL Students with Disabilities

Highlights data and definitions for EL students with disabilities, ages 3 - 21

OESE EL Resource Page

Lists resources from the department to support ELs including:

- Non-regulatory guidance: ELs and Title III of ESEA, as amended by the ESSA (Sept. 23, 2016)
- Addendum: Covers entrance and exit of ELs from language

English Learner Toolkit

Contains an overview, sample tools, and resources

- Chapter 6 addresses serving ELs with disabilities

Educator Toolkit: Using Educational Technology

Gathers resources and information into a toolkit to help teachers support ELs

instruction educational programs, reporting, and former ELs

Share

Peer Review Process

Provides states with a guide to the department's assessment peer review process

- Includes information on the ESSA requirement that English language proficiency (ELP) assessments for all ELs and alternate ELP assessments for EL students with the most significant cognitive disabilities in grades K-12 be submitted for peer review
