

Application for Georgia Online IEP (GO-IEP)

Georgia Department of Education (GaDOE) has developed a simple application form to assist us in selecting the next round of districts for GO-IEP participation. If your district is interested in participating, a GaDOE GO-IEP team member will review the GO-IEP Implementation Guide with you to determine when you are ready for GO-IEP use. The GO-IEP Implementation Guide is available on the GaDOE GO-IEP website. It can also be obtained by contacting a member of the GaDOE GO-IEP Team.

At this time, we are accepting applications from all interested districts who meet the criteria described in the GO-IEP Implementation Guide. Currently, we know that the necessary access roles are available with Aspen, Infinite Campus, Powerschool, Schoolmax, and TEMS. If you have a different Student Information System (SIS), please contact **Hubert Bennett** (hbennett@doe.k12.ga.us) regarding the access roles which must be available.

If you feel that your district meets the requirements, please fill out this form, and then email it to: **Linda Castellanos** (lcastellanos@doe.k12.ga.us). The deadline to apply for implementation in **August 2020** is **February 21, 2020**.
