

CONSENT FOR PROVISION OF SPECIAL EDUCATION AND RELATED SERVICES

Dear Parent of _____ Date: _____

The Special Education Eligibility Team met and recommended that _____ receive special education and related services as described in an Individualized Education Program (IEP). The IEP Team will develop an IEP to meet his/her individualized needs to ensure a Free Appropriate Public Education (FAPE).

I understand that I am required to give consent before the initial provision of services.

I understand that consent to provide special education and related services is the consent for any special education and related services described in the IEP to provide FAPE.

I understand that annual decisions about what services are to be provided are made through the IEP process and are not part of this consent requirement.

I understand that if my child moves to a new school system and the initial written consent cannot be located, I may be asked to give written consent again.

Yes, I give written consent for my child to receive special education and related services.
