

July 28, 2017

Dear Colleague:

Please review these updates from the Office of Federal Programs:

- As a reminder, the first FY18 CLIP submission deadline is July 31, 2017 and the second FY18 CLIP submission deadline is August 28, 2017. During the review windows following these dates, district program contacts should be available by phone if the GaDOE teams have questions. If needed, we will first contact the individual listed on page 3 of the District Comprehensive Needs Assessment (CNA) document.
- The Offices of Federal Programs, Special Education Services, School and District Effectiveness, and Teaching and Learning will be providing the following technical assistance opportunities for district staff working with the various Federal Programs. The purpose of these opportunities is to plan and prepare for submitting budgets, program specific information, and updates for FY18. The majority of these opportunities are online and will be recorded. All recordings will be posted in the WEBINAR section at this link following the event: <http://www.gadoe.org/School-Improvement/Federal-Programs/Pages/default.aspx>

- **Federal Programs Budget Preparation – FY18.** This online training will address the Federal programs listed below. This webinar is designed to allow district staff to participate at the time corresponding to their area of program responsibility.
